The applicant has applied for a discharge permit to use tertiary treated denitrified disinfected effluent for reuse irrigation at the Mountain Falls Golf Course located at 5001 Fox Avenue in Pahrump, Nevada. On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended, and implementing regulations, the Administrator proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, by December 8, 2005, within thirty (30) days of the date of newspaper publication, either in person or by mail or FAX (775)687.4684 to:

All comments or objections received within the thirty (30) day period will be considered in the formulation of final determinations regarding the applications. If written comments indicate a significant degree of public interest in the proposed permits, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date. If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations.
